Asunto: Agreement with the Resilience Center

Dear Rafa,

I hope this note finds you well and ready for the holidays!

I am contacting you to let you know that Kathy and I have been working with a lawyer and our colleagues at the Atlantic Council, as quickly as we can, to identify a mechanism in which we can send you the funding. However, because of the complexity of this matter in particular with regards to our tax status, we were advised to obtain legal counsel from Mexico as well as apparently there are some critical details that could determine the best way forward. This is a specialized area but luckily we were able to secure legal counsel from two Mexican attorneys who have experience exactly with this type of issue. We are now in the process of collecting the documentation they need to provide a recommendation, and that's why I am reaching out.

They need to see the Trust Agreement that established the Quintana Roo Trust Fund. It is possible for you to share that document with us, please? We will then send it to the lawyers for their review and analysis, and take it from there.

Thank you so much, Rafa!

All the best,

Adri
